

**CARPENTER BOX**  
FINANCIAL ADVISERS

## *Trusted Assistant Service*

---

**Our 'Trusted Assistant' service is designed to help you and your family with your wider financial and personal needs.**

We offer an all-round service for those who may benefit from additional support with their wider finances and/or personal needs from a trusted and reputable firm.

Our team can help with tasks such as:

- Banking and finance support
- Navigating the wider benefits/care system
- Assisting with the completion of forms such as Attendance Allowance
- Consolidation/review of paperwork
- Arrange appointments with local businesses/tradespeople
- Safe destruction of personal documentation

This is a non-contractual service at a fixed hourly rate. Appointments can be held at our offices or virtually depending upon your individual circumstances.

*Carpenter Box Financial Advisers are not responsible for any work or services carried out by any third-party contractors/businesses you may wish to engage with directly, this is an introductory service only.*

# *Free and paid for services*

## *Free services*

### **Home Library Direct (West Sussex)**

---

If you are unable to visit a library, a DBS checked Home Library volunteer can bring you books, audiobooks and other resources free of charge. Visit Home Library Direct West Sussex for further information.

### **Pre-prepared Blister Packs of medication**

---

Many pharmacies will make up and deliver a pre-prepared blister pack of medication free of charge if you or a loved one have prescription medicine.

### **Respite Care**

---

Depending on your needs and whether they are identified as a healthcare need, you may be entitled to NHS Continuing Healthcare funding for respite care at home. It is worth consulting your GP or other healthcare professional for further information and advice.

## *Paid services*

### **Home Help**

---

Many of the local Age UKs offer a paid for service with domestic tasks such as shopping, laundry, housework, preparing light meals/meal delivery or even companionship.

### **Chiropody**

---

Conditions such as diabetes or circulatory problems can be picked up by looking at the feet and common problems can be treated successfully. Whilst some treatment may be available via the NHS, there are some mobile clinics available in West Sussex.

### **Hairdressers at home**

---

There are many mobile hairdressers who can come to you where it is not always possible or convenient to travel to a salon.

### **Laundry and cleaning services**

---

Household chores often get pushed to the bottom of the priority list. This little bit of extra help can really make a difference.
